Profile

Hardworking, eager to learn third year software development student that loves making games with Unity and C++ in a team. Looking for an internship.

Work experience

2020 - now

Albert Heijn

At Albert Heijn I work as restocker, cashier and at its bakery

2019 - 2020

Paper delivery for a local paper.

Educatie

2021 - now

Software development - MBO

MediaCollege Amsterdam

Really interested to learn about software development and working in a team.

Neon Origins HLO

Worked on multiplayer and saving/loading for Operation Starfall.

XR-Lab HLO

Worked together in a team of 21 on a vertical slice of the vr shooter After the fall. Made for Vertigo games themselves.

2020 - 2021

HAVO

Pascal College

2016 - 2020

VMBO-T

Pascal Zuid
